

RD Series Remote LED Displays

3 1/2 digit LED Choose Red, green, or blue Adjustable zero and span

DESCRIPTION

This a really attractive, super bright LED display for your control applications. Available in single or dual versions, it's low profile and rugged. You also get precut vinyl labeling for humidity, temperature, and pressure. Adjustable zero/splan.

APPLICATIONS

- Provides users with valuable visual verification of humidity and/or
- · temperature status
- Process control feedback, including pharmaceutical, food, and coating applications

Single Verson Available

Dual and Triple Versions Available

Buy American Act Compliant

FEATURES

- Fits standard single or double gang boxes (depending on version)
- Accepts 0-10V input signal

- Pre-cut vinyl labels provided with temperature, pressure, humidity for each display ordered.
- Factory scaled; user adjustable zero and span
