

## Buy America Act Certification

**Product:** Current, Air Quality, Humidity, Temperature, Pressure, Energy Monitoring Devices

**Description:** Product Compliance for Made in America Requirements

**Updated:** June 7<sup>th</sup>, 2016

The following Senva Inc products are manufactured in the United States and meet the requirements of the federal American Recovery and Reinvestment Act of 2009 (ARRA), commonly known as the Buy American Act.

Senva Product list:

All CT devices (Models include C-1200 series, C-1300 series, C-2300 series, C-2200 series, C-1220 series, C-1320 series, C-2320 series, C-2220 series, C-2330 series, C-2350VFD series, C-1203 series, C-1205 series, C-2343 Series, C-2344 series, C-2345 Series & all CR3/CR4 series relays)

All CO, NO<sub>2</sub> & CO<sub>2</sub> devices (Models include CO<sub>2</sub>R series, CO<sub>2</sub>-VAL series, CO<sub>2</sub>D series, CO<sub>2</sub>D-Val series, CO<sub>2</sub>O series, AQW series, CHTWL series, CHTDL series, CO-EC-W series, CO-EC-D series & TG Series)

All Humidity devices (Models include HR-2 series, HR-3 series, HD-2 series, HD-3 series, HO-2 series, HO-3 series & WO series)

All Temperature devices (Models include TR series)

All Pressure devices (Models include PDP30 series, PDP31 series, PDP32 series, PG series & PW series)

All Energy Monitoring devices (Models include EM Series and CVTs™)

The products listed are subcomponents of a building system, which is a component of the overall mechanical system.

In addition, all control devices are not predominantly iron or steel, but instead are plastic, nylon and ABS poly.

All assembly of the above products are completed in the Beaverton, Oregon manufacturing facility. The address of the manufacturing facility is 9290 SW Nimbus Ave, Beaverton Oregon 97008.
